

# QUEBEC CHRONICLE

Thursday, February 28<sup>th</sup>, 2008

## **Floor Hockey**

Today saw the PEI Stars play two games; one against Ontario Lennox this morning which resulted in a loss as well as one this afternoon, against Manitoba. A very enthusiastic fan base of PEI family and friends looked on as our athletes persevered throughout this game to come from 3 goals behind to force a 6-6 tie. Adam Bourque played a fabulous game in nets, while Blair Burns scored the tying goal in the final minute.

Friday sees Team PEI play at 9:15 am.

## **Curling**

Team PEI played one game this morning and suffered a loss against Saskatchewan. This afternoon saw them win against Nova Scotia in a nail biter game. They came from behind in the last two ends which resulted in a victory! Coach Darlene Gaudet and Assistant Coach John Clow were ecstatic with the performance on the ice.

Friday sees our Curlers playing in the afternoon and we wish them all the best!

## **Nordic Ski**

It was a beautiful day on Mont Sainte-Anne as Michael Morris and Rick Chan ran in their 100 M divisioning race. Tomorrow will see our athletes participate in the 100 M final at 10:00 AM and the 500 M qualifier at 11:00 AM, as well as the 1 KM final at 1:00 PM.

We wish Michael and Rick "bonne chance"!

### ***Snowshoeing***

Wayne Dymant was our first Team PEI athlete to win a medal at the 2008 Special Olympics National Winter Games. "Congratulations, Wayne!"

This morning, Thursday, February 28<sup>th</sup>, at the Athletes' Village, spectators and fellow athletes lined the track to watch the women's and men's final 100 M. Wayne Dymant took the Silver Medal in his division and represented us ever so proudly on the podium.

Tomorrow will see Wayne race in the 400 M final and Coach, Ann Kilby says he is looking forward to another race and hopefully, another medal!

### **Figure Skating**

It was a fabulous day at the Jacques-Cartier Arena as Alyssa Chapman placed first in her "dance solo" resulting in a gold medal. Mom, Dad and sister Emily are here from PEI to cheer loudly and looked on proudly as she accepted her medal.

Tomorrow will be a practice session in the morning and the Free Skate in the afternoon.

Let's go, Alyssa!
