

Special Olympics
Prince Edward Island

Dear Potential Volunteer;

Thanks for your interest in Special Olympics PEI. We are always excited to get new volunteers involved in any of our programs.

In PEI, we have programs from Souris to Tignish in both our community and competition sport streams. We offer athletes and volunteers the opportunity to be physically active in our community sport programs by introducing participants to a variety of physically active options. In our competitive sport stream, we offer athletes and coaches the opportunity to train and compete in a specific sport with the goal of competing provincially, regionally and nationally.

We have opportunities for volunteers to be head coaches, assistant coaches or program volunteers. Each comes with its own set of unique tasks.

If you are interested in being involved in our programs, I can send you a volunteer package that will outline the above information in detail as well as get you started in our volunteer screening process. I would need your full mailing address and phone number.

Let me know when you would like to begin the process and I will gladly walk you through it!

Thanks again for your interest!

In the Spirit of Special Olympics;

Charity Sheehan
Program Director, SOPEI

To whom it may concern;

Prince Edward Island Special Olympics is a nonprofit organization that provides sport training and competitions to athletes with a mental disability.

Volunteers are the backbone to our organization. As per our policies, volunteers are required to go through a screening process before they can volunteer with us. One of the first parts of this process is to obtain a police record check.

Thank you for your cooperation on this matter. If you require any further information, please do not hesitate to contact me at 368-8919.

Sincerely,

A handwritten signature in black ink that reads "Charity Sheehan". The signature is written in a cursive style and is placed on a light-colored rectangular background.
