Becoming a Volunteer

Thank you for your interest in Special Olympics PEI. We are always excited to welcome new volunteers into our programs- volunteers are the backbone and lifeblood of Special Olympics!

If you are looking to make a direct impact on the quality of life of individuals with intellectual disabilities and to make a meaningful contribution to our Island, we'd love to have you! Getting involved with Special Olympics PEI is also an opportunity for volunteers of all ages and backgrounds to:

- Share your love of sport.
- Build friendships and networking connections.
- Gain new skills for personal and professional development.
- Gain opportunities for travel in Canada and abroad.
- Experience the satisfaction of helping others develop and succeed--in sport and in life!

We offer a variety of opportunities for volunteers ranging from coaching to special event planning to fundraising. Each comes with its own unique set of tasks, responsibilities, and benefits. Throughout PEI, we offer athletes and volunteers the opportunity to be physically active through both community and competitive programs. Within our competitive programs, athletes and coaches have the opportunity to train to compete in a specific sport with the goal of competing provincially, regionally, nationally, and internationally.

If you are interested in becoming involved in any capacity with Special Olympics PEI, please fill out the attached application form and take the attached letter to your local RCMP or City Police to have your criminal record check completed.

Thanks again for your interest in Special Olympics PEI and if you have any questions, please do not hesitate to contact me.

In the Spirit of Special Olympics,

Charity Sheehan

Prince Edward Island

To Whom It May Concern;

Prince Edward Island is a non-profit organization that provides sport training and competitions to athletes with an intellectual disability.

Volunteers are the backbone to our organization. As per our policies, volunteers are required to go through a screening process before they can volunteer with us. One of the first parts of this process is to obtain a police record check.

Thank you for your cooperation on this matter. If you require any further information, please do not hesitate to contact me at 902-368-8919.

Sincerely,

Charity Sheehan
SOPEI Program Director
